

RED TIGER CUP 2012

Dear Parents & students:

I am very excited to announce the 2012 Red Tiger Cup to be held on May 19th in Philadelphia at Archbishop Ryan High School. This is our most prestigious event as over 500 competitors from all over the USA & neighboring countries assemble to compete in the largest ITF-Style championship of the year!

The 1st Red Tiger Cup was hosted in 1987 (Originally named the USTC Tournament of Champions) by Sbn T. Warren & provided our students with an Inter-dojang Tournament that enabled them to test their skills against other opponents. What had begun as a small local event has emerged into one of the most competitive & well-organized events in the USA.

Frequently asked Questions

Why should my child/I compete?

As part of the testing requirements for RED TIGER TKD, students are required to participate in at least 2 tournaments per year to be eligible for Black Belt testing. One of the tournaments SHOULD include the Red Tiger Cup. This experience will allow them to test their skills against students of similar age, rank, weight & sex. Those that finish in the top 3 places will receive a beautiful medals and/or trophies. Although competition is important at this event, we hope that the competitors also take home valuable experience from the mental & physical challenges of competition. This will help them develop into more well-rounded martial artists.

What makes the RED TIGER CUP different?

- **Proximity** – Closest tournament of the year. Other tournaments are held in other states/countries and are much more costly & time consuming. The RTT Cup is right here in Northeast Philadelphia at Archbishop Ryan High School.
- **Fairness** – This event is hosted by the USTC-Red Tiger & great care is taken to insure that ALL competitors, regardless of do-jang, are provided with professional and unbiased judging. We encourage and welcome instructors and black belts from participating do-jangs to officiate. All officials will receive a complimentary Umpire Polo Shirt for their time.
- **Organization** – The event consists of 6-8 matted rings to accommodate the large number of competitors as well as for their safety. Divisions are broken down by age, weight, rank & sex, so as to allow the best possible experience & match-ups for competitors. Most of the children divisions are divided with only one year in between (4-5, 6-7, 8-9, 10-11, 12-13, 14-15) & we even have divisions for those as young as four & for Seniors over 50. Lastly, time slots (9-11 am, 11 am – 1pm & 1 – 3 pm) are pre-assigned so that competitors/parents/coaches know in advance when & where they are scheduled to compete. These will be posted on the website, in the do-jangs & at the tournament site. This eliminates the need for families to arrive early in the morning & wait until their rings are assigned. This is not the case at the RTT CUP!
- **Medals/Trophies** – Beautiful 1st, 2nd & two 3rd place medals/trophies are awarded to the top 4 competitors. In addition, 4th place medallions/trophies are presented to all competitors 12 & under, so everyone leaves a winner! In addition, all participants will receive a “Certificate of Participation” stating that they have attended the 2012 RTT CUP that they will include in their black belt testing binder.
- **Host** – This is “Our” event & we take great pride in it. Your support & participation have not only made this one of the largest but most organized events in the USA. We strive to make our event bigger & better than last year & count on your support to do so.

Thank you for your support & GOOD LUCK!
