### WARM UP AREA/BRACKETING AREA

There will be a room just outside of the tournament area where competitors may store their equipment and any personal items, as well as warm up prior to their divisions. Bracketing will be done in this room. We will marshal divisions into the competition room from the warm up area, so be sure to be in the room when your division is called! Pay attention to the rough start times for the divisions on the tournament application!

### PATTERNS COMPETITION

This tournament will follow current ITF rules regarding Patterns. Competition is head to head, with Color Belts performing an Optional Pattern at or below their rank. Black Belts will perform an Optional Pattern (based on rank, through Moon-Moo), and a Designated Pattern (Chon-Ji through Moon-Moo, depending upon the rank of the competitors).

### SPARRING COMPETITION

This tournament will follow current ITF rules regarding Sparring. Competition will be a single 2 minute round for all Black Belts, 2 minute round for Color Belts. Black Belt Medal Rounds will be 2-2 minute rounds. Sparring is single elimination.

### SPARRING EQUIPMENT

For Color Belts through Green Belt, both current ITF regulation equipment, as well as foam-dipped equipment will be acceptable. Equipment must be in good repair, and will be inspected. The fingers may not be exposed in any way when a fist is made. Competitors found to have unacceptable equipment will have 2 minutes in which to replace their gear.

Green Belts through Black Belts must wear current ITF style equipment, and may borrow from other competitors if necessary. They do not need both red and blue equipment, as flags will be used to designate the fighters. Fighters equipment will be inspected prior to their match.
